Modernisation of Vegetable production methods

2029. SHRI SANTOSH BAGRODIA: Will the PRIME MINISTER be pleased to state:

(a) in view of the present shortage of all kinds of vegetables, whether Government plan to modernise the methods of production of vegetables to increase the production and also to produce them with lesser cost per unit;

(b) if so, the details thereof;

(c) if not, in what way Government plan to increase the supply of vegetables and also reduce its prices; and

(d) whether Government will also plan to bring such production activities under the cover of Agro-Industries so that the organised sector can be allowed to take up such production in large scale, if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI SOMPAL): (a) to (c) Yes, Sir. To modernise and increase vegetable production emphasis is being given on production of F-1 hybrids of important vegetable crops, adoption of improved agrotechniques, use of drip and sprinkler system of irrigation, integrated pest management etc.

(d) The organised sector can take up production of vegetables with the improved methods within the land ceiling laws of the respective States.

NAFED's role

2030. SHRI K.M. SAIFULLAH: Will the PRIME MINISTER be pleased to state:

(a) the role played by NAFED in controlling and supplying the prices of onions in North India, recently;

(b) whether the working of NAFED and its role were satisfactory; and

(c) the measures proposed to streamline the working of NFED to make the organisation more consumer friendly?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI SOMPAL): (a) As per the directions of the Department of Consumer Affairs, Government of India, NAFED produced onions from the Mandies in the States of Maharashtra, Gujarat, Karnataka, Rajasthan etc. and supplied the same to the designated agencies for distribution
